This update to the Skagit County Coordinated Water System Plan (CWSP) was developed with extensive input from representatives of Skagit County (County), City of Anacortes, Skagit County PUD No. 1, and the other members of the Water Utility Coordinating Committee (WUCC).

The County also appointed a Citizen's Advisory Committee (CAC) that provided valuable comments on helping clarify the intent and interpretation of the CWSP. They also helped confirm the CWSP's consistency with the County Comprehensive Plan.

We appreciate everyone's assistance in establishing an implementable and useful water supply plan for Skagit County's citizens for the future.
