Proposal Description

Please answer all of the questions below that are applicable to your suggestion.

1. Describe your proposed amendment.

Adopt to Skagit County Comprehensive Plan and Countywide Polices by reference the Skagit County Comprehensive Plan in place prior to April 1, 1990. Designate it as the default plan in the event RCW36.70A is rescinded.

2. Describe the reasons your proposed amendment is needed or important.

Florida rescinded their GMA plan without a default plan in place. Of the other dozen or so states to do GMA type planning, several are in jeopardy. It could easily happen here as well.

3. If you are suggesting revision to a particular section of the Comprehensive Plan, please identify which section(s):

4. If you are suggesting revision to the Comprehensive Plan, would the revision create inconsistencies with existing sections of the Comprehensive Plan? If so, please list those sections:

5. If you are suggesting revision to the Comprehensive Plan, would the revision require corresponding amendments to the County's development regulations?

6. If you are suggesting revision to a particular section of Skagit County Code Title 14, please identify which section(s).

7. If you are suggesting this development regulation amendment as a result of a particular project or permit application, please identify which project or application:

8. If you are suggesting specific language as part of your amendment, please attach that specific language. Specific language is not required.

9. *Describe why existing Comprehensive Plan policies should not continue to be in effect or why they no longer apply.*

10. *Describe how the amendment complies with the Comprehensive Plan's community vision statements, goals, objectives, and policy directives.*

11. *Describe the anticipated impacts to be caused by the change, including geographic area affected and issues presented.*

12. *Describe how adopted functional plans and Capital Facilities Plans support the change.*

13. *Describe any public review of the request that has already occurred.*

Notices

Fees. No fees are required for a policy or code change suggestion, per SCC 14.08.020(6).

Docketing. SCC Chapter 14.08 governs the process for docketing of Comprehensive Plan amendments; suggestions for changes to the development regulations are docketed following the same process. Docketing of a suggestion is procedural only and does not constitute a decision by the Board of County Commissioners as to whether the amendment will ultimately be approved. Amendments are usually concluded by the end of the year following the request. State law generally prohibits the County from amending its Comprehensive Plan more than once per year.

Submission deadline. Suggestions must be received by the last business day of July for docketing. Suggestions received after that date will not be considered until the following year's docket.

How to Submit. Submit your suggestion via email (preferred) to pdscomments@co.skagit.wa.us or to Planning & Development Services at the address above.
