

Dallas Wylie
 Agriculture-NRL (Ag-NRL) to Rural Freeway Service (RFS)

Request Number
 CPA05-08

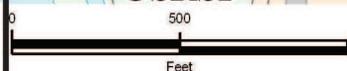

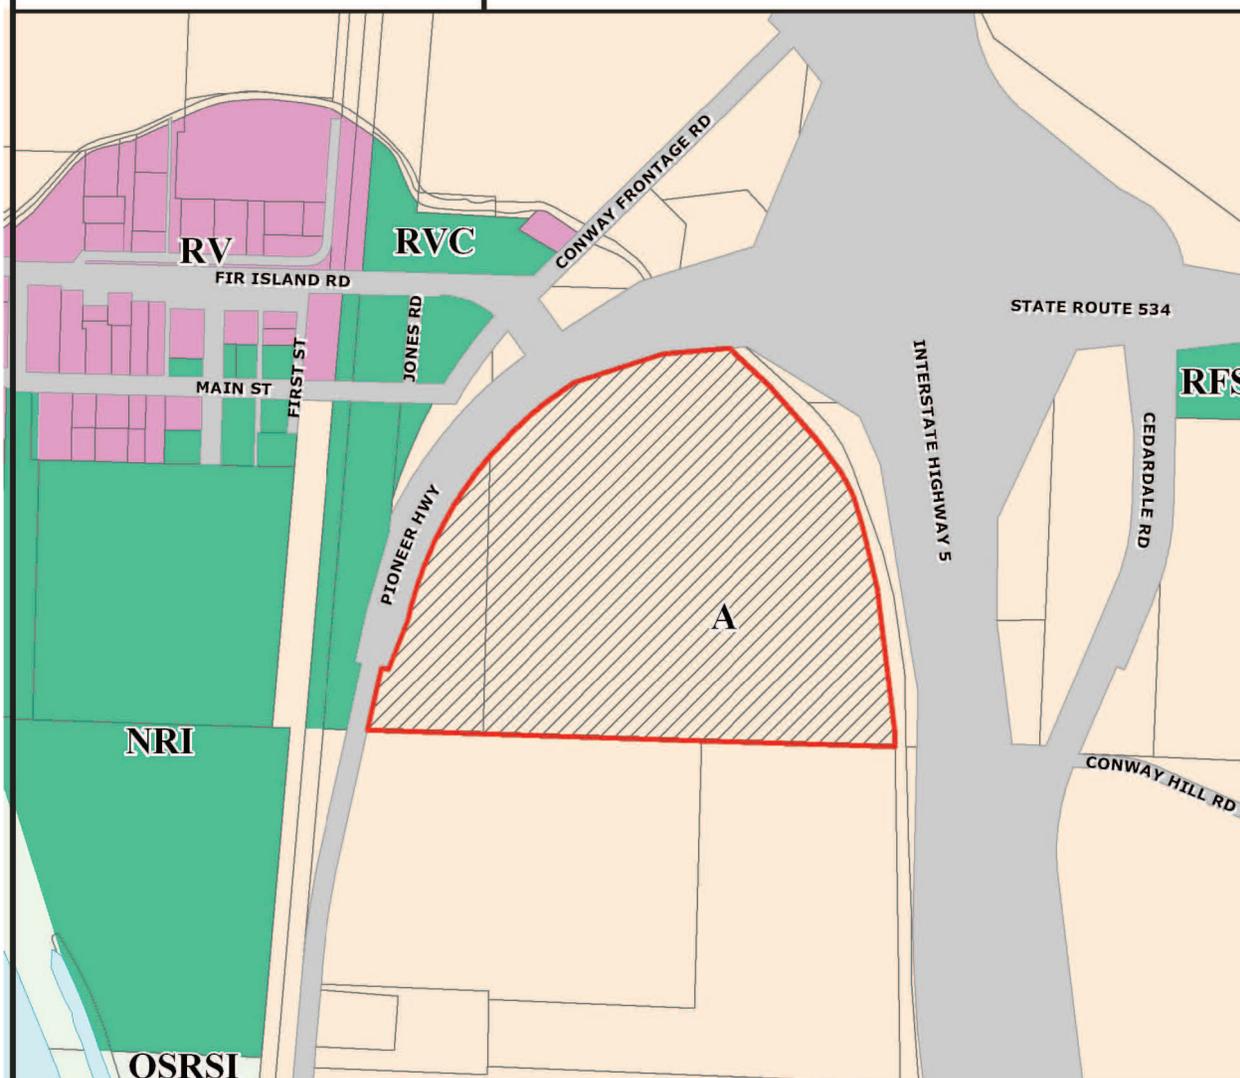

General Location

Summary:

Redesignate portions of two parcels totaling ten acres from Agriculture (Ag-NRL) to Rural Freeway Service (RFS) adjacent to the Conway I-5 interchange

Recommendation:

Recommend denial. No justification given for de-designation of Ag-NRL lands. Parcel was not selected for RFS designation in 2000 CP analysis. Proposal is inconsistent with CP policy 4A-12.7- "RFS shall not expand into NRLs".
