Industrial Forest-NRL (IF-NRL) to Open Space of Statewide Regional Importance (OSRSI)

**Request Number**

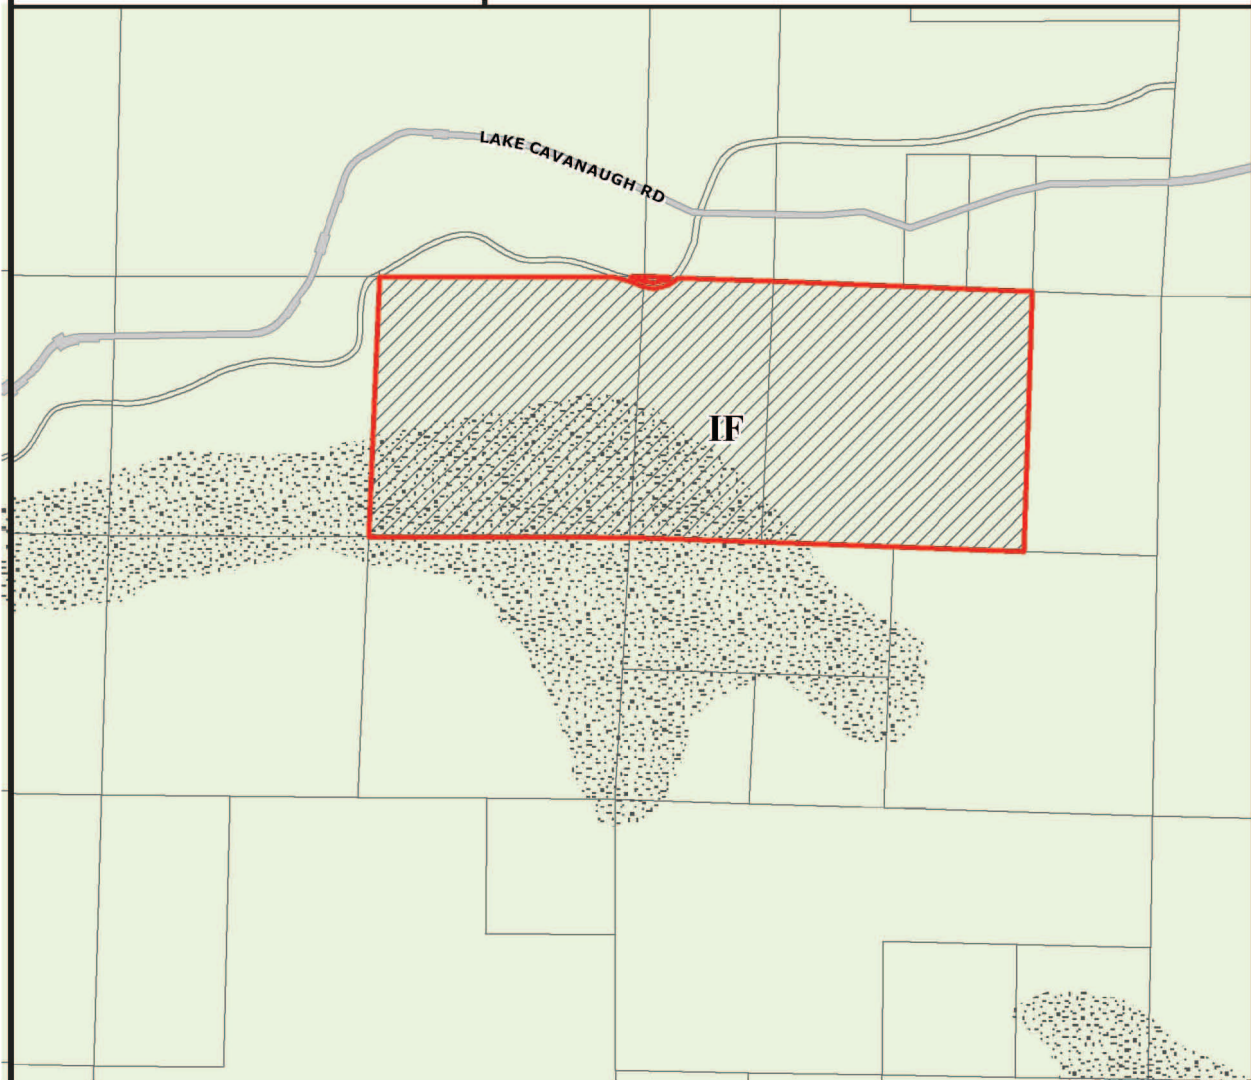

**CPA05-15**

**Summary:**

Proposal to redesignate 400 acre parcel from IF-NRL to OSRSI (The Frailey Mountain Shooting Range Site)

**Recommendation:**

**Recommend denial. DNR reconveyed property to Skagit County based on IF-NRL zoning which continues to allow for timber management. Change in designation to OSRSI could break the terms of the reconveyance.**
