

Joost Businger
Rural Intermediate (RI) to Rural Reserve (RRv)

Request Number
CPA05-21

General Location

Summary:
Redesignate 280 acres on SE Guemes Island from Rural Intermediate (RI) to Rural Reserve (RRv)

Recommendation:
There appears to be some merit to the proposal, based on the size of the subject parcels relative to the RI designation criteria. However, a chance of this magnitude may be more appropriately considered through a community planning process. It is unclear at this point whether the proposal is consistent with the recommended community plan being developed by Guemes Islanders. Public review and comment may help clarify this issue.
