

# WHY ARE WE PLANNING? NOVEMBER 2005

## Board of County Commissioners Resolution

The Fidalgo Island Subarea Plan shall:

- “Include provisions for maintaining the existing rural character and lifestyles of the island”
- “Assess the natural and built environment such as, but not limited to:
  - Shoreline environs;
  - Geologically hazardous areas;
  - Drainage;
  - Marine and upland water quality;
  - Suitability of soils and geology for development;
  - Fish and wildlife habitat;
  - Open space areas/corridors;
  - Transportation networks;
  - Availability and cost of public facilities and services.

# WHO IS RESPONSIBLE?

- Citizens' Advisory Committee (CAC) and Technical Advisory Committee (TAC) appointed by the Board of County Commissioners;
- CAC's role is to "review, comment, and make recommendations on a draft Fidalgo Island Subarea Plan prior to it being issued for public review and comment";
- TAC is to provide "advice, technical expertise and other assistance as needed"
