

Marijuana Production, Processing and Retail Narrative

Planning & Development Services · 1800 Continental Place · Mount Vernon WA 98273
Main: 360-416-1320 · www.skagitcounty.net/planning

This narrative must be completed and uploaded as part of the application submittal. Please select the type of business being proposed.

- ☐ Marijuana Retail Facility
- ☐ Marijuana Production and Processing Facility

1. Describe the proposal/business.

- a. When was the State Liquor and Cannabis Board License issued?
- b. What is the State Liquor and Cannabis Board License Number?

2. Describe the schedule, including any phasing, for development of your operation.

3. Describe the general schedule of the operation:

- a. What days and hours will the operation be open?
- b. How many people will be employed?
- c. What will the employees' working hours be?
- d. How many employees will work on-site?
- e. How many employees will work off-site?

4. Describe the distance to the following uses.
 - a. Neighboring residences.
 - b. Public and private K-12 schools.
 - c. Daycare facilities.
 - d. Public parks.
 - e. Other public facilities.
 - f. Existing Marijuana facilities.
 - g. Describe how the impacts to questions a-f above will be mitigated.
5. Describe how the proposed use will maintain the character, landscape, and lifestyle of the rural area. For new uses, proximity to existing businesses operating via special use permit shall be reviewed and considered for cumulative impacts.
 - a. Describe the location and size of any signs you propose to advertise your operation.
 - b. Describe the plans to prevent trespassing by employees, customers, or visitors to adjoining properties and maintain privacy of surrounding uses.

- c. How will the operation be screened from public view? E.g., plants, shrubs, fences. Please describe the location and height of each and depict on the site plan.
- d. Describe how outdoor lighting, security cameras and security fences will be screened to not impact neighbors' privacy and public rights-of-way.
- e. Describe how the proposed use is compatible with the neighboring properties.
- f. Describe how the proposed use will not cause potential adverse effects or conflicts on the public health, safety, and community welfare.
- g. Describe how the use of marijuana by customers or employees will be prevented.
- h. Describe any additional controls on hazardous processing methods with potential to injure neighboring properties.

6. Proposed traffic of the operation:

- a. Describe how the operation will be accessed.

- b. Describe the proposed parking area.
- c. Describe the expected traffic impact of the operation on public roads.
- d. Describe any internal road system the operation will have.

7. Describe how the operation impacts any of the following:

- a. Noise from the operation.
- b. A marijuana production or processing facility must employ ventilation systems such that no odor from the production or processing are detectable off premises. Describe how the odor will be mitigated to meet this requirement.
- c. Steam, smoke, or dust the operation will generate.
- d. Any vibrations the operation will generate.
- e. Any heat from equipment or machinery the operation will use.
- f. Air quality impacts.

g. Water pollution impacts.

h. Describe how impacts to questions a-g above will be mitigated.

8. Describe any heavy equipment or machinery the operation will use.

9. List any chemicals, waste oil, solvents, fuel, etc., the operation will use:

a. Describe how will they be stored.

b. Describe the plan for disposal including any byproducts.

10. If the operation will use a building, please describe the size, height, and construction type. The building must be shown on the site plan.

11. Describe the plan to provide the following for employees and the public.

a. Sewage disposal plan.

b. Water supply for employees and the public.

c. Have any fire flow issues been addressed?

12. Describe how the proposed use complies with Skagit County Code. Please cite code section.

For Additional Information: [14.16.855](#) Marijuana and marijuana facilities.

Many of the questions above are derived from Skagit County Special Use Criteria [14.16.900\(1\)\(b\)\(v\)\(A-I\)](#) and have been provided here for reference.

The burden of proof shall be on the applicant to provide evidence in support of the application. The criteria for approval or denial shall include the following:

- A. The proposed use will be compatible with existing and planned land use.
- B. The proposed use complies with the Skagit County Code.
- C. The proposed use will not create undue noise, odor, heat, vibration, air and water pollution impacts on surrounding, existing, or potential dwelling units, based on the performance standards of SCC [14.16.840](#).
- D. The proposed use will not generate intrusions on privacy of surrounding uses.
- E. The proposed use will not cause potential adverse effects on the general public health, safety, and welfare.
- F. For special uses in Industrial Forest—Natural Resource Lands, Secondary Forest—Natural Resource Lands, Agricultural—Natural Resource Lands, and Rural Resource—Natural Resource Lands, the impacts on long-term natural resource management and production will be minimized.
- G. The proposed use is not in conflict with the health and safety of the community.
- H. The proposed use will be supported by adequate public facilities or services and will not adversely affect public services to the surrounding areas, or conditions can be established to mitigate adverse impacts on such facilities.
- I. The proposed use will maintain the character, landscape and lifestyle of the rural area. For new uses, proximity to existing businesses operating via special use permit shall be reviewed and considered for cumulative impacts.
