*Deliver excellence,
Every project,
Every time.*

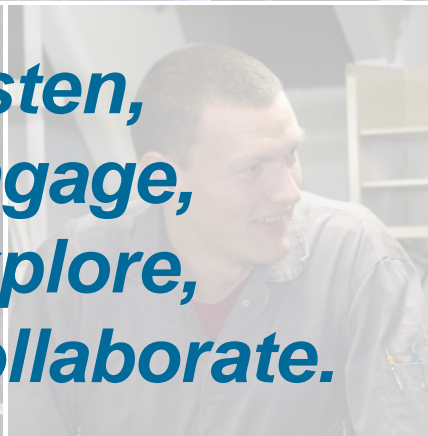

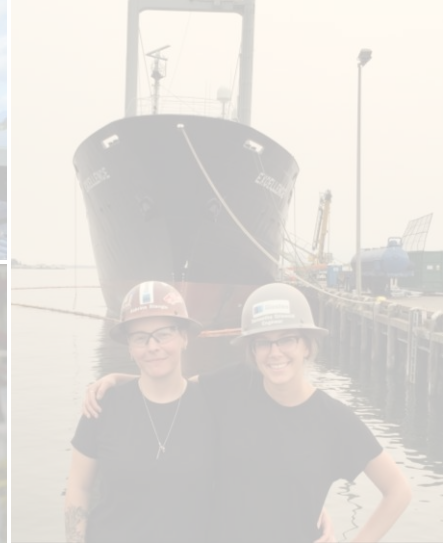

GLOSTEN IS PEOPLE

Our Mission:

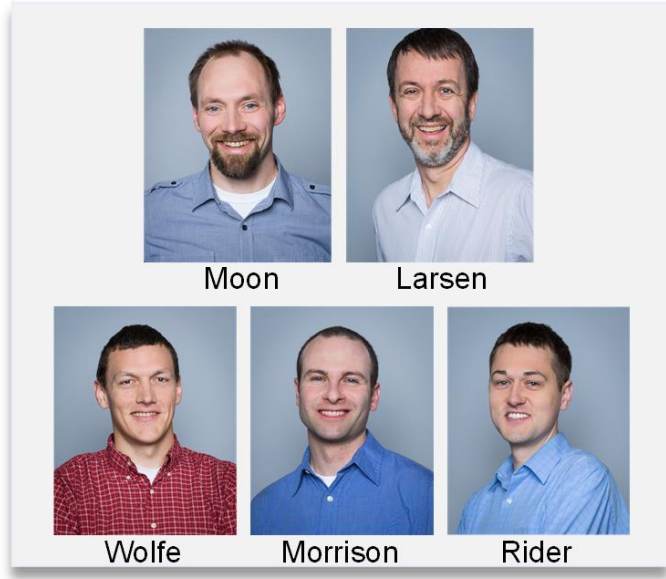

*Deliver excellence,
Every project,
Every time.*

How:

*Listen,
Engage,
Explore,
Collaborate.*

GLOSTEN IS EXPERIENCED

**Project Manager / Lead
Naval Architect**
Will Moon, PE

Principal-in-Charge
Dave Larsen, PE

Lead Electrical Engineer
Jim Wolfe, PE

Project Naval Architect
Brent Morrison, PE

Lead Mechanical Engineer
Jeff Rider, PE

GLOSTEN UNDERSTANDS GREEN TECHNOLOGIES

Recent Relevant Projects

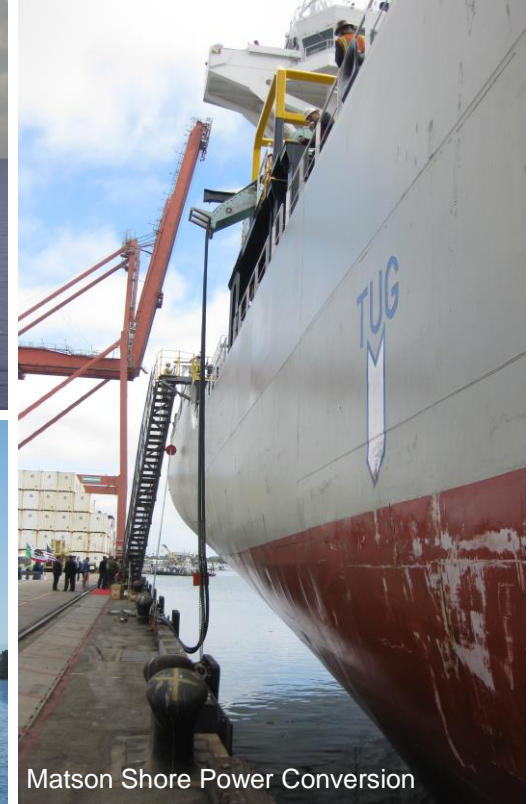

- All-electric Ferry Conversion
 - Diesel to Electric
- Hybrid Passenger Ferry
 - Parallel Hybrid
- Containership Shore Power Conversion
- Shoreside integration

Gee's Bend Ferry Conversion to Battery-Electric

70' Hybrid Kitsap Transit Passenger Ferry

Matson Shore Power Conversion

GLOSTEN IS OBJECTIVE

Phase 1: Analysis & Early Design

- Design Studies (done by 11/2/17)
 - Forecasting and Level of Service
 - Transportation System Analysis
- Concept Design Report (done by 12/26/17)
 - Design Requirements
 - Route, passengers, vehicles, terminals, etc.
 - Regulatory Requirements
 - US Coast Guard, Americans with Disabilities Act
 - Propulsion Selection
