## **MANY FISH TO BE PLANTED IN UPPER SKAGIT DISTRICT**

More fish plantings for the upper Skagit district were in prospect as State Game Protector M. Splane began a plant of rainbow and cutthroat fry from the Lake Whatcom hatchery. The first are between three and four inches in length.

Plantings will be made as follows: Day Creek, 15,000; Upper Skagit between Gorge Creek and Diablo, 20,000; 25,000 in creeks along the Baker River; 10,000 in Swift Creek.

Big Watson lake will be planted with 20,000 cutthroat by plane and another 50,000 rainbow will be flown to Diablo Lake. Grandy Lake is slated for 30,000 cutthroats by truck.
