

**Skagit River Comprehensive Flood Hazard Management Plan Update
Advisory Committee Meeting #9**

Criteria and Measures/Projects Workshop

**Commissioners' Hearing Room
1800 Continental Place, Mount Vernon
February 18, 2009
12:30 p.m. – 5:30 p.m.**

!!!!!!Note New Date, Time, and Location!!!!!!

Meeting Purpose—*For the Advisory Committee members to conduct normal business and:*

1. *Approve the Mission, Goals, and Objectives*
2. *Adopt screening and fatal flaw criteria for considering projects/measures (Intent is to send these to the Army Corp for their consideration as they assess measures in the coming months)*
3. *Conduct a workshop that:*
 - a. *Considers the Technical Committee input on additional projects and their comments on the Skagit GI measures*
 - b. *Begins the process of a local screening of the Skagit GI Measures and any local projects using screening and fatal flaw criteria in order to, from a local perspective, narrow measures to a smaller number (Intent is to complete the local screening by the end of this Advisory Committee meeting in order to have some input into the Army Corp for their consideration as they screen the measures) and to consider from a local perspective local projects*
4. *Determine next steps and schedule, including Technical Committee assignments, if any*

Note: The meeting will be audio recorded
