

LORENZAN CREEK FEASIBILITY STUDY

WORKSHOP #2 - HOSTED BY SKAGIT COUNTY

*Join!
us!*

YOU ARE INVITED

WEDNESDAY, MARCH 15

5:30 - 7:30 PM

VIA ZOOM*

Skagit County is working on Lorenzan Creek near Skagit County's Public Works operations facility at *44510 Concrete Sauk Valley Rd.* The objectives of this project are to improve water quality in the creek, eliminate polluted stormwater runoff onsite, improve fish passage, and reduce upstream flooding.

At this workshop, the project team will provide updates on the status of the project, including the results of the recently completed alternatives analysis and the selected design alternative. Participants will have an opportunity to ask questions and provide input on the selected alternative to ensure that the final design reflects stakeholder and community needs and interests.
