RE: Scope of Work

Dear plan holders and prospective bidders,

It has come to our attention that there is an error on page two, *Scope of Work*, of the Contract Provisions.

The paragraph reading, "This Contract provides for the improvement of a Skagit County Road in accordance with the attached Contract Plans, these Contract Provisions, and the 2023 Standard Specifications." was unintentionally duplicated.

As this does not affect the contract in a significant way, we have elected not to correct this error via addenda, but rather ask that you kindly disregard the duplication.

If you have any questions, please contact me at joels@co.skagit.wa.us or by phone at (360) 416-1473.

Sincerely,

A handwritten signature in blue ink, appearing to read "Joel Shroyer".
