- (1.) Concrete Sauk Valley Road – Rudd Creek (04.0675 0354) – #ES08000-11**
- (2.) Sauk City Road – Unnamed Creek (CD5) – #ES97400-2**
- (3.) Sauk Store Road – Unnamed Creek (CD6) – #ES97410-1**
- (4.) South Skagit Highway – Sorenson Creek (GN16) – #ES07000-14**

PROJECT DESCRIPTION

Skagit County has received approximately One Million – Nine Hundred Thousand Dollars (\$1,900,000) in grant funding from the Washington State Recreation and Conservation Office (RCO) to complete eleven (11) culvert replacement designs. The eleven (11) culverts were selected from a list identified in “Skagit Basin Barrier Culvert Analysis: Public and Private Stream Crossings”, dated June 7, 2020, published by designated representatives from the Swinomish and Sauk-Suiattle Tribes and other Fish Habitat Enhancement Groups. This report, a list of the eleven (11) culverts, and the proposed project delivery schedule can be found at:

<https://www.skagitcounty.net/Departments/PublicWorksCleanWater/FishPassageImprovement.htm>

This Request for Qualifications (RFQ) pertains solely to the four (4) project sites listed above. The work to be performed by the selected Consultant may include but is not limited to; preparation of the PS&E including design of the project, preparation of project plans and specifications in compliance with local, state, and federal requirements, an estimate of construction costs, environmental permitting, surveying and topographic mapping, geotechnical design, and cultural resource investigation. Skagit County reserves the right to retain the services of the successful firm for any subsequent phases, including Right of Way and Construction which may include but is not limited to; pre-bid support as well as construction services such as: submittal reviews, RFIs, change orders, on-site inspections, contract close out, and other construction-related tasks.

NEPA AND COMPLIANCE AND DISADVANTAGED BUSINESS ENTERPRISE GOALS

Consultants are alerted that this is not a federally funded project. Skagit County may pursue future federal funding and if awarded, will require the project to comply with the National Environmental Policy Act (NEPA). In addition, any federal funding award may, or may not, require Consultants to meet Federal EEO requirements. This project currently has a mandatory Disadvantaged Business Enterprise (DBE) goal of zero (0%) percent; however, Skagit County encourages all perspective Consultants to utilize DBE firms.

CONSULTANT EVALUATION CRITERIA (100 Points Total)

Submittals will be evaluated and ranked based on the following criteria:

1. In-house expertise and key personnel assigned to this project for its duration. (15 pts)
2. Experience with WSDOT PS&E, Federal Highway Administration Standards and Requirements, and Skagit County Standards, Specifications, and Requirements. (15 pts)
3. Familiarity with RCO grant manuals. (10 pts)
4. Experience as a design consultant on fish passage and culvert replacement projects. (20 pts)
5. Approach to the project. (20 pts)
6. Ability to meet project schedule in an efficient and timely manner. (10 pts)
7. Past performance/references. (10 pts)

Selection will be made on qualifications submitted. The three (3) highest ranking firms will be called for interviews. The highest-ranking firm from the interview round will be invited into contract negotiations with the County.

CONTRACT TYPE AND PAYMENT METHOD

Skagit County will use WSDOT's Local Agency A&E Professional Services Negotiated Hourly Rate Consultant Agreement for the contract with the selected consultant. The consultant and any subconsultants are required to provide a current approved Indirect Cost Rate (ICR) letter or Safe Harbor Rate (SHR) letter from WSDOT to be incorporated into the agreement. Invoices from the Consultant shall be paid by check issued by Skagit County.

SUBMITTAL

Cover letter shall include the following information: Firm name, phone number, and email address; Name of Principal-in-Charge, Project Manager, and Key Personnel. The Submittal package shall be limited to one page cover letter and a maximum of six (6) pages of qualifications (single-sided, letter size, excluding the cover page) stating qualifications. Skagit County is not requesting any cost proposal or element of cost to be submitted with the Statement of Qualifications (SOQ) at this time. Cost information shall not be submitted with your SOQ.
