EXAMINATION OF BID AND CONTRACT DOCUMENTS, SITE, AND SITE CONDITIONS:

The Bidder shall carefully examine the Bid Documents as defined in Section 1-01.3 of the *2025 Standard Specifications for Road, Bridge, and Municipal Construction*.

Submittal of a Bid shall be conclusive evidence that the Bidder has made these examinations and understands all requirements for the performance of the completed Work. The Bidder further warrants, agrees, and acknowledges by submitting a Bid that it:

1. Has taken steps reasonably necessary to ascertain the nature and location of the Work;
2. Has investigated and satisfied itself as to the general and local conditions, which can affect the Work or its cost, including but not limited to:
 - a. Conditions bearing upon acquisition, transportation, disposal, handling, and storage of materials;
 - b. The availability of labor, materials, water, electric power, and roads;
 - c. Uncertainties of weather, river stages, tides, or similar physical conditions at the site;
 - d. The conformation and condition of the ground;
 - e. The character of equipment and facilities needed preliminary to and during Work performance; and
 - f. The site biological hazards and associated physical hazards.

3. Has satisfied itself as to the character, quality, and quantity of surface and subsurface materials or obstacles to be encountered insofar as this information is reasonably ascertainable from an inspection of the Work site (including material sites) as well as from the Bid Documents and other information made a part of this Contract; and
4. Has satisfied itself as to the adequacy of time allowed for the completion of the physical Work on the Contract.

Any failure of the Bidder to take the actions described and acknowledged in this clause shall not relieve the Bidder from responsibility for estimating properly the difficulty and cost of successfully performing the Work, or from proceeding to successfully perform the Work without additional expense to the Contracting Agency.

The Bidder agrees that the Contracting Agency shall not be liable to it on any claim for additional payment or additional time or any claim whatsoever if the claim directly or indirectly results from the Bidder's failure to investigate and familiarize itself sufficiently with the conditions under which the Contract is to be performed.

The Bidder shall be familiar and comply with all Federal, State, tribal, and local laws, ordinances, and regulations which might affect those engaged in the Work. The Contracting Agency will not consider any plea of misunderstanding or ignorance of such requirements.

BID PRICE: Bid prices shall reflect what the Bidder anticipates the cost of completing the Work to be, including methods, materials, labor, and equipment. Except as the Contract may provide, the Bidder shall receive no payment for any costs that exceed those in the Bid prices.

The Contractor shall bear all cost for such insurance as provided in Section 1-07.10. No Claim shall be allowed because of any ambiguity in the Contract if:

1. The Bidder discovers an ambiguity but fails to notify the Contracting Agency, or
2. The Bidder failed to discover a patent ambiguity that would be discovered by a reasonably prudent contractor in preparing its Bid.

Any prospective Bidder desiring an explanation or interpretation of the Bid Documents, shall request the explanation or interpretation in writing by close of business on the Thursday preceding the bid opening to allow a written reply to reach all prospective Bidders before the submission of their Bids. Oral explanations, interpretations, or instructions given by anyone before the Award of a Contract will not be binding on the Contracting Agency.

Any information given a prospective Bidder concerning any of the Bid Documents will be furnished to all prospective Bidders as an Addendum if that information is deemed by the Contracting Agency to be necessary in submitting Bids or if the Contracting Agency concludes that the lack of the information would be prejudicial to other prospective Bidders.

BID PROCEDURES AND CONDITIONS

PROPOSAL FORMS: At the request of a bidder, the Contracting Agency will provide a proposal form for any project on which the bidder is eligible to bid.

The proposal form will identify the project, list estimated quantities, units of measurement, the items of work, and the materials to be furnished at the unit bid prices. The bidder shall complete

spaces on the proposal form that call for information such as: unit prices; extensions; total bid amount; signatures; date; retail sales taxes; the bidder's name, address, telephone number, and signature.

PREPARATION OF PROPOSAL: The Contracting Agency will accept only those Proposals properly executed on forms it provides.

All prices shall be in legible figures (not words) written in ink or typed. The Proposal shall include:

1. A unit price for each item (omitting digits more than four (4) places to the right of the decimal point)
2. An extension for each unit price (omitting digits more than two (2) places to the right of the decimal point)
3. The total Contract price (the sum of all extensions)

BID PRICE: The bidder shall submit the completed Bid Proposal as part of the bid. The bid shall include everything necessary for the prosecution and completion of the Contract including, but not limited to, furnishing all material, labor, equipment, and Subcontractors, and other facilities and all management, superintendent's labor and service as outlined in the Provisions, except as may be provided otherwise in the Contract documents. In the event of a discrepancy between the unit price and the total price, the unit price will govern and Skagit County will correct total price accordingly.

SIGNATURES: Bids shall be signed by one of the legally authorized officers of said corporation. If awarded the contract, the Contract shall also be so executed. If a Bid Proposal or Contract is signed by an agent, the agent shall provide satisfactory evidence of authority to sign as legal representative of Bidder, upon request of Skagit County. An authorized partner of a co-partnership may sign the contract, subject to the approval of the attorney, who may at his discretion, require each and every member of the co-partnership to sign the contract.

DELIVERY OF PROPOSAL: Sealed bids will be received by the Board of Skagit County Commissioners. Bids must be received no later than 2:00 p.m. PST on **Tuesday, July 15, 2025**, according to the SKAGIT COUNTY COMMISSIONERS' Reception Desk clock. All bid envelopes must be plainly marked on the outside, "Sealed Bid: Inman Landfill Leachate Pond," and delivered to the address below.

Hand-deliver or Mail Proposal to:
Skagit County Commissioners
1800 Continental Place, Suite 100
Mount Vernon, WA 98273

It is the Contractor's responsibility to allow enough time for delivery to occur before the designated time. Quotations delivered to locations other than as indicated above or received after the designated time will not be accepted. Incomplete proposals cannot be considered. Oral, telephonic, telegraphic, electronic, or faxed proposals will not be accepted.

Skagit County reserves the right to reject any or all bids, waive informalities, and make the award in the best interest of Skagit County. Quotation results and questions pertaining to this

project can be obtained by emailing or calling Russell Thompson, Hydrogeologist, russellt@co.skagit.wa.us at (360) 416-xxxx.

Bids remain confidential and no information about bids is released until the public information of the bids is otherwise available.

The Contracting Agency will not open or consider any Proposal when the Proposal or Bid deposit is received after the time specified for receipt of Proposals or received in a location other than that specified for receipt of Proposals unless an emergency or unanticipated event interrupts normal work processes of the Contracting Agency so that Proposals cannot be received.

If an emergency or unanticipated event interrupts normal work processes of the Contracting Agency so that Proposals cannot be received at the office designated for receipt of bids as specified above the time specified for receipt of the Proposal will be deemed to be extended to the same time of day specified in the solicitation on the first work day on which the normal work processes of the Contracting Agency resume.

BID BOND DEPOSIT/GUARANTY: Pursuant to Title 36.32.250 RCW, no bid will be considered unless accompanied by a surety company bid bond, Cashier's or certified check payable to the order of Skagit County for a sum not less than five percent (5%) of the estimated bid amount. Should the successful bidder fail to enter into such contract, the bid bond will be forfeited to Skagit County.

Any proposal bond shall be on a form acceptable to the Contracting Agency and shall be signed by the Bidder and the Surety. A proposal bond shall not be conditioned in any way to modify the minimum five percent (5%) required. The Surety shall: (1) be registered with the Washington State Insurance Commissioner, and (2) appear on the current Authorized Insurance List in the State of Washington published by the Office of the Insurance Commissioner.

The failure to furnish a Bid deposit of a minimum of five percent (5%) with the Bid or as a physical supplement to the electronic Proposal Form shall make the Bid nonresponsive and shall cause the Bid to be rejected by the Contracting Agency.

NON-COLLUSION: Submittal and signature of the non-collusion certificate confirms the bid is genuine and not a sham or collusive, and not made in the interest of any person not named, and that the Contractor has not induced or solicited others to submit a sham offer, or to refrain from proposing.

CONSIDERATION OF BIDS: After opening and reading proposals, the Contracting Agency will check them for correctness of extensions of the prices per unit and the total price. If a discrepancy exists between the price per unit and the extended amount of any bid item, the price per unit will control. The total of extensions, corrected where necessary, will be used by the Contracting Agency for Award purposes and to fix the amount of the Contract Bond.

The right is reserved by the Contracting Agency to waive informalities in the bidding, accept a Proposal of the lowest responsible Bidder, reject any or all Bids, republish the call for Bids, revise or cancel the Work, or require the Work to be done in another way, if the best interest of the Contracting Agency is served.

A Bidder who wishes to claim error after the Bids have been opened and read as required by Title 47.28.090 RCW shall promptly notify the Contracting Agency that an error occurred. The Bidder shall submit a notarized affidavit or declaration under penalty of perjury signed by the Bidder and accompanied by the work sheets used in the preparation of the Bid, requesting relief from the responsibilities of Award. The affidavit or declaration shall describe the specific error(s) and certify that the work sheets are the ones used in preparing the Bid.

The affidavit or declaration shall be submitted no later than 4:30 p.m. PST on the first business day after Bid opening or the claim will not be considered. The Contracting Agency will review the affidavit or declaration and the certified work sheets to determine the validity of the claimed error and if the error is of the kind for which the law allows relief from forfeiture of the Bid deposit. If the Contracting Agency concurs in the claim of error and determines that the error is of the kind which allows relief from forfeiture, the Bidder will be relieved of responsibility and the Bid deposit of the Bidder will be returned. If the Contracting Agency does not concur in the error or determines that the error is not the kind for which the law allows relief, the Contracting Agency may Award the Contract and if the Bidder refuses to execute the Contract, the Bidder's Bid deposit shall be forfeited as required by Title 47.28.100 RCW. Title 39.04.107 RCW applies, thereafter.

NON-RESPONSIVE BIDS: Any bid that does not comply with these instructions, is not signed, supplements or deviates from the specifications herein, or is incomplete, may be declared non-responsive by Skagit County and not further considered.

PROTESTS: Protests will be in accordance with all RCWs, as applicable.

AWARD OF CONTRACT

CONDITION OF AWARD: It is the intent of Skagit County to award a contract to the lowest responsive and responsible bidder. The Board of Skagit County Commissioners reserves the right to reject any or all bids for cause, and to waive minor irregularities in the bidding.

AWARD OF CONTRACT: Normally, Contract Award or Bid rejection will occur within forty-five (45) calendar days after Bid opening. If the lowest responsible Bidder and the Contracting Agency agree, this deadline may be extended. If they cannot agree on an extension by the 45-calendar day deadline, the Contracting Agency reserves the right to Award the Contract to the next lowest responsible Bidder or reject all Bids. The Contracting Agency will notify the successful Bidder of the Contract Award in writing.

ACCEPTANCE OF AWARD: If awarded, the Contractor is deemed to have agreed to all Addenda, Bid Instruction to bidders, General and Contract Provisions, Scope of Work, Specifications, Contract, and all other related documents.

COORDINATION OF DOCUMENTS: Any inconsistency in the parts of the Contract shall be resolved by following this order of precedence (e.g., 1 presiding over 2, 3, 4, 5, 6, and 7; 2 presiding over 3, 4, 5, 6, and 7; and so forth):

1. Addenda,
2. Proposal Form,
3. Special Provisions,
4. Contract Plans,
5. Amendments to the Standard Specifications,

6. Standard Specifications, and
7. Standard Plans.

On the Contract Plans, Working Drawings, and Standard Plans, figured dimensions shall take precedence over scaled dimensions.

This order of precedence shall not apply when Work is required by one part of the Contract but omitted from another part or parts of the Contract. The Work required in one part must be furnished even if not mentioned in other parts of the Contract.

Whenever reference is made in these Specifications or the Special Provisions to codes, rules, specifications, and standards, the reference shall be construed to mean the code, rule, specification, or standard that is in effect on the Bid advertisement date, unless otherwise stated or as required by law.

If any part of the Contract requires Work that does not include a description for how the Work is to be performed, the Work shall be performed in accordance with standard trade practice(s). For purposes of the Contract, a standard trade practice is one having such regularity of observance in the trade as to justify an expectation that it will be observed by the Contractor in doing the Work.

In case of any ambiguity or dispute over interpreting the Contract, the Engineer's decision will be final as provided in *2024 WSDOT Standard Specifications for Road, Bridge, and Municipal Construction* Section 1-05.1.

CONTRACT

EXECUTION OF CONTRACT: Successful bidder is allowed a maximum of **ten (10)** calendar days after the award date to return the signed contract, contract bond, all required insurance certifications, and any other required documentation as specified in this document.

Until the Contracting Agency executes a Contract, no Proposal shall bind the Contracting Agency nor shall any Work begin within the project limits or within Contracting Agency-furnished sites. The Contractor shall bear all risks for any Work begun outside such areas and for any materials ordered before the Contract is executed by the Contracting Agency.

If the Bidder experiences circumstances beyond their control that prevents return of the Contract documents within ten (10) calendar days after the Award date, the Contracting Agency may grant up to a maximum of ten (10) additional calendar days for return of the documents, provided the Contracting Agency deems the circumstances warrant it.

CONTRACT DOCUMENTS: The Addenda, Bid Proposal, General and Contract Provisions and Specifications, and Contract, shall be a part of and constitute the Contract entered into by Skagit County and successful Bidder. In the event there is discrepancy between any of the foregoing contract documents, the above order of documents governs so that the former prevails over the latter.

CONTRACT BOND: Pursuant to Title 39.08 RCW, the successful Bidder shall provide an executed contract bond for the full contract amount. This contract bond shall:

1. Be on a Contracting Agency-furnished form;

2. Be signed by an approved Surety (or Sureties) that:
 - a. Is registered with the Washington State Insurance Commissioner, and
 - b. Appears on the current Authorized Insurance List in the State of Washington published by the Office of the Insurance Commissioner,
3. Be conditioned upon the faithful performance of the contract by the Contractor within the prescribed time;
4. Guarantee that the Surety shall indemnify, defend, and protect the Contracting Agency against any claim of direct or indirect loss resulting from the failure:
 - a. Of the Contractor (or any of the employees, subcontractors, or lower tier subcontractors of the Contractor) to faithfully perform the contract, or
 - b. Of the Contractor (or the subcontractors or lower tier subcontractors of the Contractor) to pay all laborers, mechanics, subcontractors, lower tier subcontractors, material or any other person who provides supplies or provisions for carrying out the work;

The Contracting Agency may require Sureties or Surety companies on the Contract Bond to appear and qualify themselves. Whenever the Contracting Agency deems the Surety or Sureties to be inadequate, it may, upon written demand, require the Contractor to furnish additional Surety to cover any remaining work. Until the added Surety is furnished, payments on the Contract will stop.

RETAINAGE: Pursuant to Title 60.28 RCW, a sum of five percent (5%) of the monies earned by the Contractor will be retained from progress estimates. Such retainage shall be used as a trust fund for the protection and payment (1) to the State with respect to taxes imposed pursuant to Title 82 RCW, and (2) the claims of any person arising under the Contract. Monies retained under the provisions of Title 60.28 RCW shall, at the option of the Contractor, be:

1. Retained in a fund by the Contracting Agency; or
2. Deposited by the Contracting Agency in an escrow (interest-bearing) account in a bank, mutual saving bank, or savings and loan association (interest on monies so retained shall be paid to the Contractor). Deposits are to be in the name of the Contracting Agency and are not to be allowed to be withdrawn without the Contracting Agency's written authorization. The Contracting Agency will issue a check representing the sum of the monies reserved, payable to the bank or trust company. Such check shall be converted into bonds and securities chosen by the Contractor as the interest accrues.

At the time the Contract is executed the Contractor shall designate the option desired. The Contractor in choosing option (2) agrees to assume full responsibility to pay all costs that may accrue from escrow services, brokerage charges or both, and further agrees to assume all risks in connection with the investment of the retained percentages in securities. The Contracting Agency may also, at its option, accept a bond in lieu of retainage.

Release of the retainage will be made sixty (60) days following the Completion Date (pursuant to Title 39.12 RCW, and Title 60.28 RCW) provided the following conditions are met:

1. On Contracts totaling more than \$35,000, a release has been obtained from the Washington State Department of Revenue.
2. Affidavits of Wages Paid for the Contractor and all Subcontractors are on file with the Contracting Agency (Title 39.12.040 RCW).

3. A certificate of Payment of Contributions Penalties and Interest on Public Works Contract is received from the Washington State Employment Security Department.
4. Washington State Department of Labor and Industries (in accordance with Section 1-07.10) shows the Contractor is current with payments of industrial insurance and medical aid premiums.
5. All claims, as provided by law, filed against the retainage have been resolved. In the event claims are filed and provided the conditions of 1, 2, 3, and 4 are met, the Contractor will be paid such retained percentage less an amount sufficient to pay any such claims together with a sum determined by the Contracting Agency sufficient to pay the cost of foreclosing on claims and to cover attorney's fees.

INSURANCE: Contractor shall comply with the following conditions and procure and keep in force during the term of this Agreement, at Contractor's own cost and expense, the following policies of insurance with companies authorized to do business in the State of Washington, which are rated at least "A" or better and with a numerical rating of no less than seven (7), by A.M. Best Company and which are acceptable to the County.

1. Commercial General Liability Insurance on an occurrence basis in an amount not less than \$1,000,000 per occurrence and at least \$1,000,000 in the annual aggregate, including but not limited to: premises/operations (including off-site operations), blanket contractual liability and broad form property damage.
2. Business Automobile Liability Insurance in an amount not less than \$1,000,000 per occurrence, extending to any automobile.
3. Workers' Compensation Insurance as required by Washington law and Employer's Liability Insurance (Stop Gap) with limits not less than \$1,000,000 per occurrence. If the County authorizes sublet work, the Contractor shall require each Subcontractor to provide Workers' Compensation Insurance for its employees, unless the Contractor covers such employees.

The above liability policies shall contain a provision that the policy shall not be canceled or materially changed without thirty (30) days prior written notice to the County. No cancellation provision in any insurance policy shall be construed in derogation of the continuous duty of the Contractor to furnish the required insurance during the term of this Agreement.

Upon written request by the County, the insurer or his/her agent will furnish, prior to or during any Work being performed, a copy of any policy cited above, certified to be a true and complete copy of the original.

ADDITIONAL INSURED: Prior to the Contractor performing any Work, Contractor shall provide the County with a Certificate of Insurance acceptable to the County Attorney evidencing the above-required insurance and naming Skagit County, its officers, employees and agents as Additional Insureds on the Commercial General Liability Insurance policy and the Business Automobile Liability Insurance policy with respect to the operations performed and services provided under this Agreement and that such insurance shall apply as primary insurance on behalf of such Additional Insureds. Skagit County shall be named as an Additional Insured by endorsement using ISO Form CG 2010 or equivalent. Receipt by the County of any certificate showing less coverage than required is not a waiver of the Contractor's obligations to fulfill the requirement.

The Certificate must name the County as additional insured, and state: Skagit County, its elected officials, officers and employees are named as additional insured.

The insurance policies required in this Contract are to contain and be endorsed to contain the following provisions:

An additional insureds endorsement template can be provided by Skagit County, upon request.

PUBLIC WORKS PROJECT – PREVAILING WAGE: Pursuant to Title 39.12 RCW, if awarded the project, the Contractor and each Subcontractor shall complete or have on file with the County a current "Statement of Intent to Pay Prevailing Wages" before payment will be made for work performed. An "Affidavit of Wages Paid" shall be required at the end of the project, before final payment is authorized. These forms are available from Washington State Department of Labor & Industries and can be filed electronically at <http://www.lni.wa.gov/TradesLicensing/PrevWage>.

The State of Washington prevailing wage rates applicable for this public works project, which is located in Skagit County, may be found at the following website address of the Department of Labor and Industries: <https://fortress.wa.gov/lni/wagelookup/prvWagelookup.aspx>.

Any materials purchased will be used in public work type projects as defined in RCW 39.12, and therefore, subject to state prevailing wage rates as set forth by the Washington Department of Labor and Industries. Bidders are advised to consider this charge when computing bids.

LICENSES AND PERMITS: Contractor shall procure all licenses, pay all charges, fees and taxes, and give all notices necessary and incidental to the due and lawful prosecution of the work. Contractors awarded a County Contract are responsible for compliance with Washington State Business License regulations.

CHANGES/AMENDMENTS: Skagit County reserves the right to add or delete work, items, agencies, or locations from this contract, subject to appropriate adjustments to the Contract price. Added items, agencies, or locations will be related to those on contract, and additions or deletions will be by mutual agreement, with prices consistent with the original bid price margins, and evidenced by an amendment to the Contract. The execution of an amendment shall constitute a waiver of Claims by the Contractor arising out of the Work to be performed or deleted pursuant to the amendment, except as specifically described in the amendment. General reservations of rights will be deemed waived and void.

FAILURE TO EXECUTE CONTRACT: Upon failure to return the performance and payment bonds, insurance certifications, and any other required documentation as specified in this

document with the signed contract, as required, Skagit County may then award the contract to the second lowest responsive and responsible Bidder, or reject all remaining bids.

RETURN OF BID BOND/GUARANTY: Proposal bonds and deposits will be held until the Contract has been properly executed pursuant to Title 36.32.250 RCW. When the Contract has been properly executed, all remaining bonds or deposits, except those subject to forfeiture, will be returned.

LEGAL RELATIONS AND RESPONSIBILITIES TO THE PUBLIC

COMPLIANCE WITH LAWS: Contractor shall comply with all applicable federal, state, tribal and local laws, rules, and regulations affecting its performance and hold Skagit County harmless against any claims arising from the violation thereof. No extension of time or additional payment will be made for loss of time or disruption of work caused by any actions against the Contractor for any of the above reasons.

APPLICATION OF SALES TAX: The work on this contract is to be performed upon lands whose ownership obligates the Contractor to pay State sales tax. Department of Revenue Rule 171 applies to this project. This work is not exempt from Sales Tax. The contractor shall include appropriate sales tax as shown on the Bid Proposal. The Contracting Agency will not adjust its payment if the Contractor bases a bid on a misunderstood tax liability.

DEFENSE & INDEMNITY AGREEMENT: The Contractor agrees to defend, indemnify and save harmless the County, its appointed and elective officers and employees, from and against all loss or expense, including but not limited to judgments, settlements, attorney's fees and costs by reason of any and all claims and demands upon the County, its elected or appointed officials or employees for damages because of personal or bodily injury, including death at any time resulting therefrom, sustained by any person or persons and on account of damage to property including loss of use thereof, whether such injury to persons or damage to property is due to the negligence of the Contractor, its subcontractors, its elected officers, employees or their agents, except only such injury or damage as shall have been occasioned by the sole negligence of the County, its appointed or elected officials or employees. It is further provided that no liability shall attach to the County by reason of entering into this contract, except as expressly provided herein.

HOLD HARMLESS: The Contractor shall hold Skagit County and its officers, agents and employees harmless from all costs, claims or liabilities of any nature including attorneys; fees, costs and expenses for or on account of injuries or damages sustained by any persons or property resulting from the negligent activities or omissions of the Contractor, its agents or employees pursuant to the Contract, or on account of any unpaid wages or other remuneration for services; and if a suit as described above be filed, the Contractor shall appear and defend the same at its own cost and expense, and if judgment be rendered or settlement made requiring payment by Skagit County, the Contractor shall pay the same.

TERMINATION FOR PUBLIC CONVENIENCE: The County may terminate the contract in whole or in part whenever the County determines, in its sole discretion that such termination is in the best interests of the County. Whenever the contract is terminated in accordance with this paragraph, the Contractor shall be entitled to payment for actual work performed at unit contract prices for completed items of work. An equitable adjustment in the contract price for partially completed items of work will be made, but such adjustment shall not include provision for loss of anticipated profit on deleted or uncompleted work. Termination of this contract by the County at

any time during the term, whether for default or convenience, shall not constitute a breach of contract by the County. If sufficient funds are not appropriated or allocated for payment under this contract for any future fiscal period, the County will not be obligated to make payments for services or amounts incurred after the end of the current fiscal period. No penalty or expense shall accrue to the County in the event this provision applies.

Task 3: Supply materials, labor, and equipment to remove water from leachate pond generated while pressure washing the liner.

Task 4: Supply labor, equipment, and materials to conduct visual and vacuum inspection of all liner seams and identified holes and worn areas to industry standards. CONTRACTOR will provide results of the inspection in the form of a brief written report that includes the locations of any holes or areas where the integrity of the liner has been compromised. The report shall also state the limitations of the inspection methods used, and be furnished at the end of the work.

Task 5: Repair, to industry standards, any holes and worn sections of leachate pond liner, reseal liner around inlet and wet well outlet pipe.

Task 6: Remove any water that seeped between the upper and lower liner before repairs were made using the pond's leak detection pipe.

Task 7: Reinstall gravel ballast to base of pond. Ballast will be reinstalled in the same manner depicted in the "Record Drawing, Skagit County Public Works Inman Landfill CDL Cell and Phase 1 Closure" included in the "Post-Closure Operations and Maintenance Manual, Inman Landfill, June 1995" prepared by Parametrix, Inc. (Appendix E). CONTRACTOR will take care not to puncture, tear, or otherwise compromise the integrity of the leachate pond liner system.

Task 8: Reinstall three (3) aerators into the leachate pond, securing them to existing cables.

GENERAL REQUIREMENTS OF THE WORK:

1. Mobilization shall be included in total bid.
2. The Contractor must have relevant previous experience with power-washing, sight inspection, vacuum inspection, and repair of HDPE liner.
3. The Contractor shall provide all necessary equipment
4. It will be the responsibility of the Contractor to obtain any necessary permits, and all permit inspections will be scheduled by the Contractor.
5. All permits and inspections will be reimbursed at actual cost to the Contractor.
6. It is anticipated that 100% of the work will be performed during the Contractor's normal business hours.
7. The Contractor shall be responsible for repair of any damage they cause to the site at no extra cost to the County.
