Skagit County is located in the northwest portion of Washington State between Seattle, Washington and Vancouver, B.C. Canada. The majestic Cascade Mountains stand to the east, overlooking a fertile valley boasting a variety of agricultural crops. Running through the valley is the powerful Skagit River flowing westward toward the beautiful San Juan Islands. World famous tulip fields blanket the valley in the spring. Flocks of Canadian geese, snow geese and trumpeter swans can be seen here in the winter. Bald eagles soar overhead year round and great blue herons stand along the shorelines.

Population: 120,000
