

Skagit County Family Recovery Court (FRC)

Confidentiality Agreement

1. I understand that there are special relationships between the Superior Court, the Attorney General, the Division of Children and family Services, defense counsel specific to dependencies which affect client confidentiality. This agreement is no intended to supersede any of the disclosure provisions which adhere to those relationships.
2. I understand that all names and identifying information presented at staffing's are not to be used by me, staff, or coworkers with anyone other than other members of the FRC staffing team unless current releasing of information from specific clients give me permission to do so otherwise.
3. I understand that all events, current and past, in the lives of FRC clients which are not otherwise considered to be on the public domain, discussed at FRC staffing's are to remain confidential unless otherwise authorized by a current release of information by from specific clients.
4. I understand that all paper copies of reports, status updates, assessments, and other document relevant to the history, progress, and status of FRC clients are confidential. I understand that if I keep any documents specific especially to chemical dependency and mental health treatment, these documents must be securely sored with limited access only to those subject by agreement or who possess a valid release of information. I understand that if I choose not to keep copies of these documents, it is my responsibility to shred them.
5. I understand that there may be other relevant statutes addressing confidentiality, including Duty to Warn, which apply to my participation on the FRC staffing team.
