

## Superior Court Video/Telephonic Hearings

*Please review the Daily Calendar on our webpage to determine the calendar you need to join and verify the access information. After connecting to the conference line, please mute your phone until you are asked to participate. More information about connecting to video hearings and phone hearing etiquette is also available on our website.*

When your case is complete, you may disconnect from the line. Conference calls can be difficult so please be patient and try not to speak over people. All Superior Court cases are recorded and it is important to capture and accurate record. Thank you again for your patience and understanding as we work to make this process as user-friendly as possible.

If the first phone number you call to access the hearing is busy, you may also connect to Zoom using the following numbers:

(346) 248-7799

(669) 900-9128

(312) 626-6799

(646) 558-8656
