# Local Voters' Pamphlet

---

## Publication of Local Voters' Pamphlet

---

Skagit County publishes a local voters' pamphlet for each election. Jurisdictions with measures or candidates on the ballot are automatically included. It is available in print and on our website.

For each measure, the pamphlet includes:

- Official ballot title
- Explanatory statement
- "For" and "Against" statements, if submitted
- Rebuttal statements, if submitted
- Committee contact information

The full text of a resolution calling for an election isn't printed in the local voters' pamphlet. Resolutions are posted to [skagitcounty.net/elections](http://skagitcounty.net/elections).

The Elections Department of the Auditor's Office will determine how the local voters' pamphlet will be distributed, based on the size of the election and the number of jurisdictions participating. The local voters' pamphlet may be distributed in any one of the following ways.

- By mail to all households (saturation)
- By mail to all registered voter households
- Included with the ballot and mailed to each registered voter

---

## Cost of Participating in an Election

---

Each Jurisdiction is responsible for paying its proportionate share of election costs. Skagit County will bill the jurisdiction directly for these costs.

Allocation of election costs is based upon the jurisdiction's registered voter count as a percentage of registered voters in all jurisdictions participating in that election.

Election costs vary from one election to the next depending on a variety of factors. However, the number of participating jurisdictions and their respective size is the primary variable. For example, an election shared by 5 jurisdictions will likely cost more per voter than an election shared by 15 jurisdictions.

Special elections in February and April are often shared by a smaller number of jurisdictions. Thus, the proportionate share of the cost is often greater and, in some cases, may be 100% of the cost (e.g., a single jurisdiction election).

A specific cost or quote cannot be provided in advance of an election. The cost allocation is dependent upon the number of jurisdictions and registered voters participating in the election. Estimates can be provided and will be based on a reasonable range, taking into account historical information and specific known information about a particular election date.

The preparation of a local voters' pamphlet is an election cost. It is billed to local jurisdictions in the same manner as other election costs.

If a mandatory recount is required for a candidate in a jurisdiction, the cost of the recount is billed to the jurisdiction.

# Filing a Resolution and Ballot Title

---

## Submittal Process for Resolutions

### Submitting a resolution

Resolutions calling for an election by a jurisdiction shall be submitted on or before the resolution deadline established by state law. See page 11 for resolution deadlines.

Resolutions can be emailed to [sselections@co.skagit.wa.us](mailto:sselections@co.skagit.wa.us)

### Withdrawing a resolution

If a jurisdiction wishes to withdraw a submitted resolution, a written request must be submitted to Skagit County Elections no later than 7 business days after the submission deadline. The jurisdiction must inform our office who has the authority to make the request. Alternatively, the jurisdiction could add withdrawal language to the submitted resolution (Example: If Prop 1 passes in the Primary this resolution shall be withdrawn).

A **Resolution Cover Sheet** is mandatory and must accompany each resolution. This cover sheet contains important contact information required by the Elections Department. A Resolution Cover Sheet is available on page 14, on our website, or by request.

Upon receipt of the cover sheet and resolution, the Elections Department will send a receipt of resolution to the person submitting. The resolution will be posted to our website.

---

## Ballot Titles for Local Measures

For measures submitted to the voters of a city or town, the official ballot title is prepared by the city or town attorney. For measures submitted to the voters of a unit of local government other than a city or town (e.g., a county, fire district or school district), the official ballot title is prepared by the Skagit County Prosecuting Attorney.

The format and content requirements for local measure ballot titles are very specific and must conform to state law. Each ballot title must contain the following elements:

- Identification of the enacting legislative body
- A statement of the subject matter not exceeding 10 words in length
- A concise description of the measure not exceeding 75 words in length
- A question

Jurisdictions are responsible for verifying the accuracy of ballot titles as authored. Skagit County Elections does not assume responsibility for ensuring that the ballot title aligns perfectly with the resolution's intent.

---

## Ballot Title Appeal

Any person dissatisfied with the ballot title for a local measure written by a city attorney, town attorney, or Prosecuting Attorney, may appeal to the Skagit County Superior Court pursuant to RCW 29A.36.090.

# Voters' Pamphlet Statements

---

## Explanatory Statement for Local Measure

---

Each ballot title must be accompanied by an explanatory statement.

The purpose of an explanatory statement is to state the effect of the proposed measure if approved by the voters. It must be impartial, written in clear and concise language, avoid the use of legal and technical terms whenever possible, and conform to the formatting requirements outlined below.

### Length

Explanatory statements must be **200** words or less, in block paragraph form.

### Format

Up to three paragraphs may be used. The Auditor's Office reserves the right to eliminate excessive paragraph returns if the statement doesn't fit within the space provided.

Italics may be used to emphasize specific words or statements. Any other formatting, such as bold, underline, or all caps, will be changed to appear in italics.

The use of lists or bullets is not allowed. Lists or bullets will be converted to block paragraph, with a semicolon to separate each item.

Explanatory statements shall limit the language to the proposition to which it pertains. It may not endorse, speak about, or advocate for or against another proposition or measure.

---

## Establishing Committees "For" and "Against" a Local Measure

---

For each measure from a jurisdiction that is included in the local voters' pamphlet, the legislative authority of that jurisdiction shall formally appoint committees "For" and "Against" the measure by the statutory deadline.

Any person appointed to a committee must reside within the jurisdictional boundaries. The jurisdiction shall appoint persons that are known to favor the measure to serve on the "For" committee and shall appoint persons known to oppose the measure to serve on the "Against" committee. An email is required for each committee appointed for correspondence with the Elections Department.

Each committee shall consist of not more than three members; however, a committee may seek the advice of any other person or persons. The Committee Member Appointment Form must be submitted by the deadline to appoint committees. See form on page 15.

If such persons are not immediately known, the jurisdiction is encouraged to employ some formal means of notifying the public that members of the "For" and "Against" committees are being sought.

The jurisdiction is responsible for providing committee members with copies of instructions, specifications, and deadlines for all statements.

The committee spokesperson shall be responsible for submitting the statement and communicating with the Elections Department. The committees are solely responsible for submitting their statements by email to the Elections Department in accordance with the specified timeline for that election. See page 11.

Titles for committee member names will not be published in the local voters' pamphlet.

---

## **Appointments by the Auditor**

---

If a jurisdiction fails to appoint "For" and "Against" committees by the deadline established by the jurisdiction or the Auditor's Committee Form submittal deadline (whichever comes first), the Auditor's Office will seek out and, whenever possible, appoint up to three members to each committee.

If the jurisdiction has appointed one, two, or three members to a committee, the Auditor will consider the committee completed and formed. The Auditor won't seek or appoint additional members.

When the Auditor's Office is responsible for appointing committees, it may, in its sole discretion, seek committee appointments through press releases or notices on the Auditor's website.

Appointments will be made in the order the requests from qualified applicants are received by email. The email request must include the applicants' name, voter registration address, phone number, and the district they wish to write a statement for. The Auditor will accept email requests for appointment as soon as the jurisdiction has indicated they will not be appointing a committee or the appointment form submittal deadline has passed.

The Auditor's Office will use the following criteria to determine an applicant's eligibility when making appointments:

- Applicant must reside within the jurisdictional boundaries
- Applicant has demonstrated the ability to communicate rapidly by email
- Applicant agrees to work collaboratively with co-committee members

The deadline for an interested party to request a committee appointment is 12:00 noon on the date that "For" and "Against" statements are due. See page 11.

### **Appointment requests must be made by email to:**

[sselections@co.skagit.wa.us](mailto:sselections@co.skagit.wa.us)

Appointed committee members will be notified by email. The appointed committee must abide by the specified timelines for submitting statements for that election.

It is not the responsibility of the Auditor's Office to coordinate communication between committee members or to arbitrate disagreements among them.

The first person appointed by the Auditor's Office will be designated as the 1<sup>st</sup> Committee Member and spokesperson for the committee. Should the committee be unable to agree or if multiple statements are submitted, the statement submitted by the 1<sup>st</sup> Committee Member will be the statement printed in the local voters' pamphlet.

If a committee member wishes to withdraw before a statement has been submitted, they must notify the Auditor's Office by email at least 24 hours prior to the submittal deadline for the statement. Should a committee member wish to withdraw after the statement has been submitted, the withdrawal will be honored provided at least one member remains on the committee and the pamphlet has not gone to print.

Once statements have been submitted by email, statements are considered final and may not be amended.

# Committee Statements

## "For" and "Against" Statements

### Length

"For" and "Against" statements must be **250** words or less, in block paragraph form.

If a "For" or "Against" statement is received before the deadline and exceeds the applicable word limit the committee will be notified by email and asked to delete words, paragraphs or sentences. Changes after the deadline are not allowed unless requested by the Auditor's Office. The shortened statement must be received by the deadline or complete sentences will be removed until the word limit is met.

### Format

Up to four paragraphs may be used.

The Auditor's Office reserves the right to eliminate excessive paragraph returns if the statement doesn't fit within the space provided.

Italics may be used to emphasize specific words or statements. Any other formatting, such as bold, underline, or all caps, will be changed to appear in italics.

The use of lists or bullets is not allowed. Lists or bullets will be converted to block paragraph, with a semicolon to separate each item.

Committee member names, a contact phone number, an email address and/or website address will be printed in the local voters' pamphlet but aren't included in the 250-word count. At least one method of contact (phone, email, website address) must be provided for print in the local voters' pamphlet.

No more than **eight** words are allowed for a committee name.

Committee member names and the email contact information for the committee spokesperson will be provided to interested parties upon request. The request can be by email or phone. A formal "Public Records Request" is not required for this information.

### Content

#### All Statements

Committee members shall limit their statement (in support or against) to the proposition to which they were appointed. They may not endorse, speak about, or advocate for or against another proposition, measure, or candidate.

Pursuant to RCW 29A.32.230, the Elections Department may reject certain materials submitted for publication. These materials include, without limitation, explanatory statements, "For" or "Against" statements, rebuttal statements, or contact information that:

- Is obscene
- Is libelous
- Contains a commercial advertisement
- Contains matter prohibited by law from distribution through the mail
- Contains matter not limited to the candidate or to the measure or political office
- Contains matter that is otherwise inappropriate or that does not comply with applicable law
- Was received after the submittal deadline

---

## **Rebuttal Statements**

If both "For" and "Against" statements are submitted, the Elections Department will email the text of the statement to the spokesperson for the opposing committee listed on the committee appointment form. This will be done once the submittal deadline has passed.

Rebuttal statements are not required; however, it gives each committee an opportunity to provide a response to the opposing statement.

The failure of a committee to submit a "For" or "Against" statement will disqualify the committee from submitting a rebuttal statement.

### **Length**

Rebuttal statements must be **75** words or less, in one block paragraph form.

If the rebuttal statement exceeds the applicable word limit, it will be shortened by deleting full sentences from the end until the limit is reached.

### **Format**

Italics may be used to emphasize specific words or statements. Any other formatting, such as bold, underline, or all caps, will be changed to appear in italics.

The use of lists or bullets is not allowed. Lists or bullets will be converted to block paragraph, with a semicolon to separate each item.

### **Content**

**Rebuttal statements may not interject new issues or arguments** and are limited to addressing issues and arguments raised in the opposing statement.

**"For", "Against", and Rebuttal Statements can be email to:**

[sselections@co.skagit.wa.us](mailto:sselections@co.skagit.wa.us)

Statements must be submitted by email and are due by the deadline. Submittal deadlines are strictly observed. See page 11.

---

## **General Provisions Applicable to All Statements**

The contents of candidate statements, explanatory statements, "For" or "Against" statements, and rebuttal statements are the sole responsibility of the authors and do not represent the position of the Auditor's Office or Skagit County regarding the measure or of any material contained therein; or are the Auditor's Office or Skagit County responsible for the validity or accuracy of the statements.

Statements should be edited and prepared as carefully as one would edit and prepare a resume. Spelling, grammar, and punctuation errors will not be corrected. Statement content will be printed as received, as long as

it complies with format specifications. The Elections Department has the right to make formatting adjustments to ensure the information fits properly into the voters' pamphlet.

Each part of a hyphenated or slashed word will be counted as a separate word. (Examples: Around-the-corner=3 words; and/or=2 words) Hyphenated City or Town names will count as 1 word (Example: Sedro-Woolley)

Be sure the campaign contact email, web address, or phone number to be included in the pamphlet is accurate and functional when submitted.

Once statements have been submitted by email, statements are considered final and may not be amended.

If a local measure crosses the county line, the voter pamphlet statement submittal for Skagit County shall be as required by the lead county. Only one version of the voter pamphlet needs to be submitted. We will obtain the information that was submitted to the lead county and include it in the Skagit County pamphlet.

---

### **Public Inspection of Statement**

---

Statements submitted for publication in the local voters' pamphlet are not available for public inspection or copying until the deadline for submission of statements has passed. Requests for public inspection of arguments or statements shall be made in the same manner as requests for public records.

---

### **Rejection and Appeal**

---

#### **Rejection**

Pursuant to RCW 29A.32.330, the Elections Department may reject certain materials submitted for publication in the local voters' pamphlet. These materials include, without limitation, candidate statements, explanatory statements, "For" or "Against" statements, rebuttal statements and contact information.

If a candidate statement, explanatory statement, "For" or "Against" statement, rebuttal statement or contact information is rejected by the Election Manager, a written notice of rejection shall be sent to the proponent by email not more than five business days after the deadline for the local voters' pamphlet submittal and shall set forth specific grounds for rejection.

#### **Appeal**

The proponent of a candidate statement, explanatory statement, "For" or "Against" statement, rebuttal statement or contact information, may appeal the Election Manager's decision to reject. A written notice of appeal shall be submitted to the Auditor by email not more than 48 hours after the notice of rejection was sent and shall set forth the specific grounds for appeal. The Auditor shall issue a written decision granting or denying the appeal by email not more than five business days after the appeal is submitted. The decision of the Auditor to grant or deny an appeal shall be final.

If material is rejected, the local voters' pamphlet will be printed with the rejected material omitted and the appropriate space left blank.
